

ANT/SOC 192 INTERNSHIP DOCUMENTATION INSTRUCTIONS

Paperwork must be completed, signed, and turned in to the Advising Office in order to obtain the CRN. Registration must be complete by last day to add. (12th day of the quarter)

OBJECTIVES OF ANTHROPOLOGY/SOCIOLOGY INTERNSHIP CREDIT:

Encourage students to obtain applied learning experience, which will complement and enhance the traditional educational process. The experience should aid the student in the exploration of potential career opportunities and assist in clarifying the student's personal and educational goals.

To obtain academic credit (units) for an internship, you must:

- Have completed 84 units. If you have not completed 84 units, go to the Internship and Career Center (2nd floor South Hall) to discuss receiving "Transcript Notation."
- Find a position with an on-campus or off-campus organization (may be paid or volunteer) where you will be supervised by an internship supervisor (doing office tasks like filing and answering phones is valuable, but will not justify academic credit).
- Ask a faculty member to sponsor you for ANT or SOC 192 units (note: the faculty member may only have time to sponsor a limited number of internships per quarter so try to ask early)
- Fill out the accompanying paperwork. Obtain signatures from your faculty sponsor and your internship supervisor.

Bring a copy of the paperwork to the Advising Office. At this point, you will be given a

- CRN to add these ANT or SOC 192 units. Use Schedule Builder and the CRN to add the units. On the link "Change Grade Mode or Change Variable Units" you will change the units to reflect the number of units you and your faculty sponsor have agreed upon. Make sure you double check to see that the course is listed on your schedule and for the correct number of units.

* Number of units is determined by the number of hours you work. 30 hours of interning during the course of a quarter equals 1 unit (or 3 hours per week); 60 hours equals 2 units, etc

- At the end of the quarter, fill out the evaluation form (on back side of this instruction sheet) with your internship supervisor and return this form, with your written documentation (journal, paper, etc.) to your faculty sponsor by the last day of instruction.

REQUEST FOR APPROVAL OF INTERNSHIP FOR ACADEMIC CREDIT

Obligations of the student to receive a passing grade:

1. Complete including a statement of objectives (goals for the internship), the main tasks of your internship (what you will be doing), and an explanation of how this internship connects with your major.
2. Actively participate in the internship experience and complete the number of intern hours corresponding with the unit credit requested.
3. Fulfill all contractual obligations agreed upon with the faculty sponsor, including submission of evaluation from internship supervisor and required written work.
4. **Meet with your faculty supervisor at least once** during the quarter to discuss internship experience.
